Total	680	366	31	1077	141	409	550	8	25	33	
Percentage	63.1%	34.0%	2.9%		25.6%	74.4%		24.2%	75.8%		

1 Data excludes non-collision events such as single vehicle crashes, collisions with parked motor vehicles, fixed objects, animals, trains, pedestrians, and various other categories of "first harmful events". A "fatal" collision may include more than one fatality and an injury collision may involve injuries to more than one person.

² PDO = Property Damage Only
